Description

Danny joined us in 2009/10 season and he has become one of the strongest players in the squad. Danny has made appearances in the first team and developed his game to such a level that he is one of the first names on the reserves team sheet. At junior level Danny was offered trials for various professional Clubs and although he never took them up, he clearly has the potential to play at a high level and progress to our first team.

Club Honours:
