Description

A veteran of local amateur football, 'Pete' as he is known has come into the reserves team to develop our younger players and also to fill a gap in the reserves defence. A natural left footer, Pete has never failed to fulfil the job role at left back and people often wonder if he is really 45 years old, as he runs around as if he is 18. Pete was another transfer signing from local rivals Merlins (Saturday).

Club Honours:

None.
