Creator of the Club in 2004, created after a few young people asked Wayne and his Cousin Roy Reid to create a team for them representing Middleton. After a conversation between Roy Reid and Wayne Dixon stating that they never had a football team to play for when they were growing up in Middleton, Wayne set out to see what he could do. After a few searches on the internet he realised that he could set a Club up in the name of a former local School (Middleton Park High School). In December 2003, training sessions were organised and the coaching began.
